Abstract

WITHDRAWN — EXTERNAL WORK (typed tombstone, MANUS foreign-capture policy). This position was created by an over-inclusive DataCite full-metadata capture during the post-termination restoration campaign. The work “Axioms of the Emrick Phase Grid” is by Matthew Craig Emrick and is NOT a holding of this archive. It belongs to its author at DOI 10.5281/zenodo.19341561, where it should be cited and accessed. The captured metadata has been removed; this position is retained as a tombstone (no 404) to document the capture-and-withdrawal honestly rather than silently erase it. No content of Matthew Craig Emrick’s work is served here.

This position (AXN:0551.UNCLASSIFIED.□□□□□□) was created by an over-inclusive DataCite full-metadata capture during the post-termination restoration campaign.

The work it captured — **“Axioms of the Emrick Phase Grid”** — is by **Matthew Craig Emrick** and is NOT a holding of this archive. It belongs to its author at DOI **10.5281/zenodo.19341561**, where it should be cited and accessed.

The captured metadata and content have been removed. This position is retained as a typed tombstone (no 404) to document the capture-and-withdrawal honestly rather than silently erase it. No content of Matthew Craig Emrick’s work is served here, and no archive identifier (ORCID or otherwise) attaches to their work.

MANUS foreign-capture tombstone policy (site audit 2026-07-31); propagated under RECORD-SHAPE-AND-PROPAGATION v1.0.
